CHARM Canvas
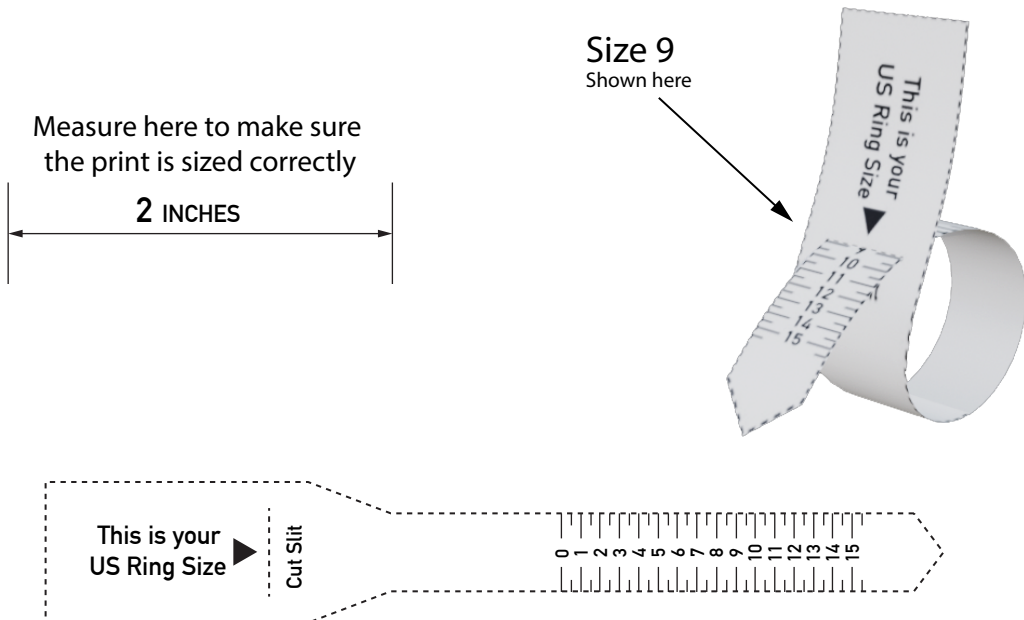

RING SIZER (US Sizes)

1. Print this page at 100% scale.
2. Measure the 2-inch line with a ruler or other measuring device, to ensure it printed properly.
3. Cut out the Ring Sizer (dotted line), and cut the slit as marked.
4. Slide the pointed end through the slot to make a loop.
5. Pull the loop snug around the finger you're sizing the ring for and make note of the size shown. Smaller tick marks are half sizes.

Please note, this paper ring sizer should only be used when other ring sizing methods are unavailable.

For the highest confidence in a perfect fit, we recommend using a rigid (metal or hard plastic) ring sizing tool (found at any jewelry store, or purchased online).
